COMMISSION & PAYMENT OF FEES

Commission

For individual students we offer agents a commission starting at a minimum of 20% on our published course fees and enrolment fee. Commission is payable on the course fee & registration fee only. It is not applicable for additional services provided for the student. (i.e. homestay, guest house & hotel accommodation, golf, transfers, medical insurance, etc.)

Enrolment & Course Materials fee

We require an enrolment and course materials fee of £100 per student (in addition to the course fee). Commission is payable on this fee.

Deposit

We require a non-refundable deposit of £150 per student at the time of booking to confirm the course place(s).

Payment of fees

Full payment must be made 30 days before the course start date.

There are two methods of payment:

1. Where the student pays the agency, and the agency pays the school

Anglotec Academy will send the agent an invoice for the net amount and a student invoice for the gross amount. The agent should then forward the net amount to Anglotec Academy.

2. Where the student pays the school directly

The student can pay the gross fees direct to the school. Commission is paid to the agent after the client has paid the course fees in full. An invoice from the agent is requested.

The agent should inform the school if the client will pay direct.

In both cases, course fees must be paid in full prior to course commencement.

Payment should be made by bank-to-bank transfer and sent directly into our bank account. UK bank charges (if any) must be paid by the sender.

We have a wide range of homestay accommodation within 5-40 minutes walking distance of the school. We confirm homestay details as soon as we can by emailing a 'Confirmation of Accommodation' document along with a profile of the host(s).
