Accommodation

Anglotec has 40 years of experience offering great homestay opportunities in Scarborough. Our students stay with local families all within 3 km from Anglotec Academy and in most cases less than 1km. This means students can walk safely to and from the Academy in a peaceful and safe neighbourhood. Our customised approach means we take care to match students to families that will be able to cater to their specific needs.

Other options: We also have a limited number of Guest House and residential options, all located next to the Academy.

Meals

Host families provide breakfast, a packed lunch and dinner for students. Our welcoming hosts have years of experience of catering to dietary requirements and we also offer vegetarian and halal options. There is also a cafe in the school where a hot meal option is available each day.

A Pathway to Success at University

The **University Pathway Programme (UPP)** is designed for students who aspire to study at UK universities but need to improve their English proficiency beforehand. The course provides **comprehensive general English training** alongside the **academic skills** required for higher education.

Students benefit from sessions on **University Life** and **Cultural Awareness**, which help prepare them for studying and living in the UK. The programme also includes **visits to local universities**, offering students a **valuable insight into campus life** and the opportunity to meet **current UK university students**.

At the end of the course, students will take the **Kaplan Test of English (KTE)**. Those who achieve the required score can progress to **Kaplan Pathways**, with whom we have an established partnership.

Programme Details

Dates: Available all year round

Duration: Stay from 4 week to 12 months

Ages: 16+

Who it's for: Pre-University Students who want to prepare for studying at a UK University

Before you arrive: Free live information session with Q&A with our Directors

Your progress: Personal study report, Progress and KTE test to pass to the Pathways programme.
