## Welcome!

---

We're so excited to have you joining us at Anglotec Academy. Scarborough is a beautiful seaside town on the North Yorkshire coast, and while it isn't right next to a major international airport, getting here is easier than you might think — you just need a little planning.

Below, we've put together everything you need to know for each of the main arrival airports, so you can focus on the exciting journey ahead rather than the logistics!

**Top Tip:** Whatever route you choose, we strongly recommend booking your onward travel in advance - especially taxis and trains. This saves money, guarantees your seat, and means there's one less thing to worry about after a long flight!

## Manchester

Manchester Airport is one of the most convenient arrival points for Scarborough, with a reasonably direct route across the North of England.

### By Train

From Manchester Airport, you can take the train directly to Scarborough. You'll journey through the beautiful Yorkshire countryside, and the whole trip takes around 3 hours. Tickets are much cheaper when booked in advance, so we recommend booking as soon as you know your travel dates. The journey takes approximately 2 hours 30 minutes.

### By Taxi

For a stress-free, door-to-door experience, a pre-booked taxi is an excellent option — especially if you have a lot of luggage or are travelling with family. We recommend booking with Nippy Taxis (a local Scarborough company). Your driver will be waiting for you in the arrivals hall and will take you directly to Anglotec. The journey takes approximately 2 hours 30 minutes.

**Note:** Uber is not recommended for this route due to unpredictable availability and surge pricing.
